

A yeti with shaggy grey fur stands in a dark, snowy landscape. A trail of footprints leads away from the yeti into the distance. The scene is filled with falling snow.

Dann steht Yeti Jo auf und läuft  
hinaus in den Sturm. Und sucht.  
Und findet.

Êdî Yeti Yo radibe ser xwe, û derdikeve  
ji derve nava wê bahozê. Û digere.  
Û dibîne.
